**State of New Hampshire Job Posting
Director of Bureau of Mental Health Services/Assistant Superintendent
Department of Health and Human Services
Division of Behavioral Health Services
Concord, NH
LG FF
#9U407
\$68,417.44 - \$90,832.56 USD**

The State of New Hampshire, Department of Health and Human Services, Division of Behavioral Health Services has a full time vacancy for a Director of Bureau of Mental Health Services/Assistant Superintendent.

The New Hampshire Department of Health and Human Services (DHHS) is committed to provide the most comprehensive and effective programs to those NH residents who are in need of our services. One of our most important and critical programs is our BUREAU OF MENTAL HEALTH SERVICES.

We are seeking a dynamic individual to provide leadership and oversight of the NH State-funded mental health system within the NH Department of Health and Human Services. The largest state agency in New Hampshire, DHHS currently employs approximately 2700 people and maintains a total annual budget of about \$2 billion. The Bureau of Mental Health Services works closely with the State designated community mental health centers, Peer Support Agencies and other providers to ensure that individuals with mental illness receive the services they need.

Reporting to the DHHS Division for Behavioral Health Director, the Bureau Director is responsible for policy development within the broad scope of services provided under the umbrella of BMHS. The

continued...

Bureau Director represents the interests of individuals with mental illness in major Department and other State initiatives, including the *Building Capacity* CMS 1115 Medicaid Transformation Waiver and integration of behavioral health with primary care, and serves as the Department's leader in the implementation of the Community Mental Health Agreement.

The Bureau Director works closely with the Behavioral Health Division Director as well as the DHHS Commissioner, DHHS executive staff, the Department's legal advisors, members of the State of NH legislature and the Governor's Office in order to ensure the integrity of all services provided to the recipients of program services.

The Bureau Director is expected to establish and maintain productive and effective working relationships with community stakeholder groups, Bureau staff, and others as required. The Bureau Director presents a comprehensive biennial budget submitted to the State of NH legislature and provides oversight of related contracts with community providers associated with the mission of the Bureau.

Successful candidates for this position must have a Master's degree from a recognized college or university with major study in human services, social work, public administration, business/management, or health services administration. Additionally, candidates should have eight years of experience in the community mental health services field, four years of which must have been in a management level position involving administrative or supervisory duties concerned with program administration, program planning and evaluation, business management or related management experience.

Interested candidates should send a resume and cover letter other supporting documentation, to:

NH Division for Behavioral Health–BMHS, Attention: Kathleen Capron, Department of Health and Human Services, 129 Pleasant Street, Concord, NH 03301. You may also send your information electronically to: Kathleen.Capron@dhhs.nh.gov.
